

The Twin Lakes Women's Golf Association (TLWGA) would like to invite you to join our league for the 2012 golf season. We play on Wednesdays throughout the golf season (April – October). USGA rules apply. Members must maintain an official USGA handicap at Twin Lakes and post all home and away scores. The 2012 Handicap Fee is included in the \$65 annual dues. Tee times are first-come first-served and may be made up to two weeks in advance. All members are expected to play 18 holes in 4 ½ hours or less. Walking is permitted, with a few exceptions for events with shotgun starts and the league championship.

New membership applications will be accepted on a first-come first-served basis until the membership limit of 120 is reached. Returning members have priority. New members may be accepted at any time during the golf season but the dues will not be prorated.

To join, please return the form below with a check made out to TLWGA for your \$65 membership dues. If you already have an established USGA handicap index, please include a copy of your USGA Handicap card or provide your GHIN number. If you need to establish a handicap, you may do so in one of two ways: (1) submit five attested score cards from rounds on 18 hole regulation courses played within the last year; OR (2) play as a provisional member until you have played five rounds at Twin Lakes or on any 18 hole regulation course and submitted attested score cards.

There will be a Coffee/Spring meeting on March 28th at the Twin Lakes Golf Course at 9 AM for all new and returning members. New members are strongly encouraged to attend, as important information will be passed out.

2012 TLWGA NEW MEMBER APPLICATION FORM

(Please print! This information will be used for the directory!)

Name & Address:	Phone numbers & Email
_____	Home: _____
_____	Cell: _____
_____	Email: _____
